Contested Arbitration Hearing before 3 Arbitrator Panel

Attorney(s): Stuart R. Deardorff

S&D successfully defended an uninsured motorist claim involving a T-4 fracture, traumatic brain injury and soft tissue injuries sustained in a rear end accident. The claimant alleged continuing permanent back pain, as well as, significant permanent cognitive impairments and sought payment of \$300,000 uninsured motorist limits. S&D argued the claim had a value of \$80,000. The arbitration panel awarded only \$80,000.
